The Galveston County Long Term Recovery Group (GCLTRG) provides free access to these services for **Harvey affected residents**.

We prioritize services for our most vulnerable residents especially seniors, those with disabilities, and lower income households.

- **Recovery Advocate** (Disaster Case Management) – assisting affected persons to develop a Recovery Plan, which identifies their unmet needs, locate services and mitigate the impact of loss on the household. This is the hub for all other services.
- **Home Repair and Rebuilding** – coordinating volunteer labor and building materials to repair your home.
- **Unmet Needs** – assisting in replacing household or other items not covered by other agencies.
- **Job Search** – supporting job searches for Harvey-related job loss.
- **FEMA Appeal Assistance** – helping navigate the FEMA and FEMA appeals process.
- **Public and Behavior Health** – connecting you to resources to restore wellness.

Help is still available.

Don't give up hope.
